Today on Samuel Adams Returns – The Anti-federalists Got It Right: **Liberty or Despotism**  
Listen Today at 9 AM and 7 PM Eastern on [www.lwrn.net](http://www.lwrn.net)

Today I speak about Liberty while others call it Despotism. I react today to those who continue to have disparaging comments regarding a Populous Fascist movement and what Constitutionalism looks like in the wake of 50 years of socialist/communist/humanist/globalist infiltration in our schools and government.

As a reminder from past programs, I ask you to read through the list of the [45-goals of the Communist](#) for America read into the Congressional Record in 1963. Why? Simply that the actions of those protesting in the streets are a direct results of the inaction of the Biblically sound churches not being involved in education, business and governance (politics). By the way – if one looks at the definition of Fascist in all its colors, that is what we are living under for the last sixteen years, at a minimum.

The core of our discussion is: Can America come to grips with Founders Intent for a Constitutional Republic in a society where at least one-third of the population are Fabian, socialist, fascist, humanist living out as activist, minions or dupes?

The Founders wanted us to gain knowledge and get involved! Being a Citizen is an Active involvement in our political life! Let's get our feet on the street for this time is critical!

Join me on today's program to value the Founders perspective of the mirrors of history and the reality of the present.

**And because you keep asking!**
