Today on Samuel Adams Returns – The Anti-federalists Got It Right: **Harvard Sharia - Obama Ending A Full Tyrant & Despot**

Listen Today at 9 AM and 7 PM Eastern on [www.lwrn.net](http://www.lwrn.net)

By most standards of how organizations operate, today is supposed to be a summation of the past year. Not so here. I am letting folks know that Samuel Adams Returns is not a tax exempt organization – so we don't ask for those last minute donations..... I am talking about the last two weeks relative to what De Tocqueville wrote about concerning what American tyranny and despotism would look like.

More importantly, I talk about the “God Effect” in the leaders of a nation. History proves that the Creator of ALL and Everything has been and continues to be a direct participant in governance and government. Hmm, as I write this, but won't be in the program, it is clear that the present administration has had sanctions on God for interfering with the elections!

So the legacy of Obama, by any historically correct Constitutionalist will conclude that it, is that of Hegelian Dialectic and exacting despotic tyranny as defined by the Founders of various States and Federal Republic.

Why pick on Harvard? It isn't just Harvard, we see all over the media that higher education is showing its true color – ‘Red.’ What is occurring in universities across this nation, including so-called Christian higher education, is the promotion of subversive ideology over Founders intent. To that, the fact is that we have had seventy years of socialist/progressive indoctrination in the schools. Follow along in Charlotte Iserby's “[The Deliberate Dumbing Down of America: A Chronological Paper Trail](#)” to get a further sense of this topic.

And as promised, It is out and available – “Not ALL Conservatives Are Constitutionals” See the references for the links to buy the paperback or ebook.

With that - The Founders wanted us to gain knowledge and get involved! Being a Citizen is an Active involvement in our political life! Let's get our feet on the street for this time is critical!

Join me on today's program to value the Founders perspective of the mirrors of history and the reality of the present.

**And because you keep asking!**
